Finland became a member of the International Ice Hockey Federation on February 10th, 1928

Finland men's national team played their first international game on February 17th, 1933 against Sweden.

It was not until the 1995 Men's World Ice Hockey Championships, Finland achieved its first ever gold in international ice hockey.

Finland reached the final with a 5-0 victory over France in the quarterfinals, and a 2-0 victory over the Czech Republic in the semi-finals. In the finals, the Finns faced off against their hockey rivals and host of the 1995 tournament, Sweden.

In the first period of the final, left wing Ville Peltonen scored a natural hat trick, and then assisted on Timo Jutila's first period goal to give Finland a 4-0 lead, on the way to an eventual 4-1 victory.

Finland has never won the Olympic Gold Medal.
