## History

Finland became a member of the International Ice Hockey Federation on February 10th, 1928

Finland men's national team played their first international game on February 17<sup>th</sup>, 1933 against Sweden.

It was not until the 1995 Men's World Ice Hockey Championships, Finland achieved its first ever gold in international ice hockey.

Finland reached the final with a 5-0 victory over France in the quarterfinals, and a 2-0 victory over the Czech Republic in the semi-finals. In the finals, the Finns faced off against their hockey rivals and host of the 1995 tournament, Sweden.

In the first period of the final, left wing Ville Peltonen scored a natural hat trick, and then assisted on Timo Jutila's first period goal to give Finland a 4-0 lead, on the way to an eventual 4-1 victory.

Finland has never won the Olympic Gold Medal.
