</table>
Germany became a member of the International Ice Hockey Federation on September 19th, 1909.
The team is not considered to be as elite as Canada, the Czech Republic, Finland, Russia, Slovakia, Sweden or the United States, but they are ranked 8th in the world (2017) by the IIHF. Since re-unification, their best recent results include finishing 6th place at the 2003 World Championships where they lost a close quarter-final match in overtime to Canada, and 4th at the 2010 World Championships where they lost to Sweden in the bronze medal game. Previously, they finished third in the European Group and qualified for the quarter-finals at the 1996 World Cup after a surprising 7-1 victory against the Czech Republic. In the 1992 Olympics, they lost to Canada 4-3 in an overtime shoot-out in the quarter-finals.
Germany has never won an international competition, and their most recent medal was bronze in the 1976 Olympic Winter Games. This was their best result as well as a silver medal at the 1930 World Championships.
Germany finished in 4th place at the 2010 IIHF World Championship, their best placement since 1953.

Best Result World Championships 2nd, place 1930
Best Result Olympics Games 3rd, place 1932, 1976
